| 4x Arancini Balls, Chicken Pate to share, 2 oversize mains, mash potato, Vegies & mushies and a family size Apple Tart Tatin | |

Ondine

European Brasserie

Over the last few months we have worked hard to bring our vision of a European Brasserie, Ondine, to life. However, as the global COVID-19 outbreak continues to evolve, we wanted to share with you some important information about the opening of Ondine, and what we can provide for our future patrons.

Our plan had been to open on or around Easter 2020. However, due to the current advice and direction from both the Commonwealth and ACT governments, we will unfortunately have to defer opening for an extended period of time.

In the interim we will be offering a delivery or pick up service offering a sample of the Ondine dining experience.

To ensure the impact of COVID-19 is minimised on our operations, we would like to reassure you that:

- Cleaning processes are being routinely done such as the wiping down high traffic surfaces with food grade disinfectant
- We encourage frequent and thorough hand-washing from all staff during shifts, especially after coming into contact with soiled surfaces.
- All staff members have been encouraged to stay home if they are unwell.

As small business operators we must be as proactive as possible to ensure that our business is operational and we can become part of the broader community once the crisis has passed. We appreciate your support and understanding and hope that everyone stays healthy and safe.
